

OAKLAND TROUSERS

Our Oakland trousers are made from versatile and highly effective 3-layer GORE-TEX. We have included features which have been extensively trialed and tested in our hard-wearing military range, to create a superb pair of trousers that are easy to wear and have versatile features for active work in harsh conditions. The low weight and volume mean the trousers are easy to use and pack.

FUNCTIONS

- 3-Layer GORE-TEX with taped seams
- Extra tape on the lower edge of the leg to prevent capillary suction of moisture
- Reinforced panels in vulnerable areas such as the back knee and lower leg
- 2-way zip for ease of use as well as added cooling
- Fly
- Removable waist belt with plastic buckle.
- Velcro leg height adjustment
- Lengthened back
- Windproof
- Waterproof
