

CRWC TROUSERS

Our CRWC trousers are one of our most popular low weight outer trousers. We have updated the design to include protective fabric panels on the knees and the lower legs to provide added durability without compromising their weight, after feedback from our customers. The design retains the long zips which make putting on and taking off the trousers a breeze and doesn't require the user to remove other parts of their gear.

FUNCTIONS

- Waist to ankle zips to enable ease of use and improved ventilation.
- Pre-shaped knees
- Taped seams
- Reinforced fabric at the knees and lower legs
- Elastic drawstring at waist for adjusting width
- Velcro at bottom hem for adjusting width
- UV/ VIS/ IRR
- Waterproof windproof and breathable

FACTS

Article no.	023160105
