

# VERMONT HALF ZIP

Warming and quick-drying base layer top with a long raglan sleeve. It works perfectly as a first layer or as a second layer. The material has air ducts that make the garment light and quick-drying without affecting the insulation capacity. The sweater has a low stand-up collar and a short zipper for ventilation and easier dressing.

## FUNCTIONS

- Flatlock seams to prevent chafing
- Low stand-up collar
- Short zip in collar
- Extended back
- Very good moisture-wicking properties
