BIWAK CAP

The Biwak Cap is a warm, soft, and airy hat with good insulation for cold climates. The hat doesn't have a membrane, meaning condensation does not form. It is windproof and has good ventilation. Snug fit on your head, providing comfortable warmth.

FUNCTIONS

- Peak protects against wind/precipitation
- Covers the ears
- Fleece-lined
- Adjustable at lower edge for the best possible fit
- Tricot cuff at the neck to create soft comfort
