FIELD DTJ TROUSERS

The Field DTJ Trousers are part of our tropical uniform for operations in warmer climates and offer very high comfort. The material blend provides the great advantages of durability and very fast drying time. Zippers are minimized in our tropical garments to reduce the risk of abrasions and infections in warm climates.

FUNCTIONS

- Pre-bent knees
- Zippered side pockets with ventilation capability
- Leg pockets with large buttons for easy closure
- Leg openings with drawstring at the bottom allowing for a snug fit around the ankle
- Waist drawstring for adjusting the fit in case of weight loss
