FIELD ARCTIC JACKET

The Field Arctic Jacket has been developed in close collaboration with specialists in Mountain Warfare, stationed in arctic environments. The jacket has been tested under harsh conditions and provides the soldier with the right conditions to deliver maximum performance during high activity, such as skiing trips. With the right combination of base layers and reinforcement garments, a highly flexible system is provided, allowing you to save weight and volume. Used by units in climate zones C1-C3.

FUNCTIONS

- Sturdy and adjustable hood with space for a helmet.
- Removable fur around the hood, secured with Velcro.
- Double fabric on the shoulders.
- Heavy-duty 2-way front zipper, concealed by front flaps.
